

M'Yad L'Yad
Helping Hands

November, 2011 Cheshvan 5772

As you may know, helping others is an important value of our rich Jewish tradition. TEEM has adopted a needy family from *M'Yad L'Yad*, a Long Island-based social action agency. We are determined to help this family by supplying them with the items that they cannot buy for themselves. Please help us to help others.

We hope you will support our temple-wide tzedakah project by donating specific items to this family. See the school website for more information on *M'Yad L'Yad*, and the items they need.

Todah Rabah, we thank you in advance for your participation.

Sincerely,

Mrs. Kaplan's 7th Grade Class,

Administrators of the TEEM M'Yad L'Yad Project

How can I participate in the M'Yad L'Yad Tzedakah Project?

On the school hallway bulletin board there is a *tzedakah tree* listing the items our family would like to receive.

- Choose a hand and gently remove it from the bulletin board; each hand will have an item for you to donate and a corresponding number.
- Fill out the form next to the tree on the bulletin board: write down your name, the item and number listed on the hand, the date you signed up for the item and the date you'll be bringing it in.
PLEASE NOTE ALL ITEMS MUST BE BROUGHT IN WITHIN TWO WEEKS OF WHEN YOU SIGN UP.
- Bring your item(s) and the hand to the school office.
